

Type AS-CS-B

Crane scales with rotating hook

Type AS-CS-A

Crane scales with weighing ranges up to 20,000 kg

✓ Features:

- Robust crane scales for industrial applications
- Housing made of die-cast aluminium
- Upper fixed shackle
- **AS-CS-B:** lower, **rotatable** hook with safety latch
- **AS-CS-A:** Lower, fixed hook with safety catch
- High-performance rechargeable battery
- Standard infrared remote control

✓ Technical data:

- 30 mm high, backlit LCD display
- Front keypad with five buttons
- Zeroing up to 4% of end value
- Tare up to 100% of end value
- Hold function
- Battery status display
- Overload warning
- Automatic shutdown
- Energy-saving mode
- Various filter settings
- Various weight units available
- Adjustment to different gravitational conditions
- Non-critical overload: 120%
- Breaking load: 400%
- Battery 6 V / 10 Ah
- Battery capacity: > 100 h
- Permissible temperature range: -10 to + 40C°

✓ On request:

- LED display

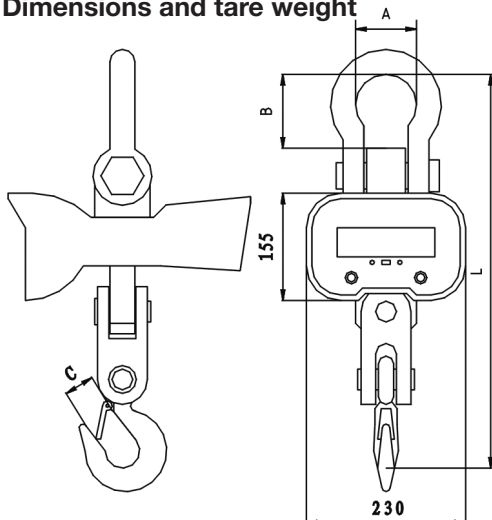

Available versions AS-CS-B:

Code	Weighing range (kg)	Readability (kg)
AS-CS-B1	1,000	0.5
AS-CS-B3	3,000	1
AS-CS-B5	5,000	2

Available versions AS-CS-A:

Code	Weighing range (kg)	Readability (kg)
AS-CS-A10	10,000	5
AS-CS-A15	15,000	5
AS-CS-A20	20,000	10

Dimensions and tare weight

AS-CS-B:

Code	A (mm)	B (mm)	C (mm)	L (mm)	Tare weight (kg)
AS-CS-B1	70	100	35	395	12
AS-CS-B3	70	100	35	395	12
AS-CS-B5	85	115	40	490	17

AS-CS-A:

Code	A (mm)	B (mm)	C (mm)	L (mm)	Tare weight (kg)
AS-CS-A10	94	147	60	770	43
AS-CS-A15	128	178	75	860	61
AS-CS-A20	135	250	75	950	64
